

Columbus Counts!

CENSUS 2020

**THE CENSUS
IS COMING
IN APRIL.**

*Make sure your
family is counted!*

★ *Did you know?* ★

1

The census is easy, safe, confidential, and important.

2

The census determines funding for programs we rely on like Medicare, Medicaid, CHIP, and WIC.

3

It is illegal for census employees to share personal information of the people completing the census.

4

The census helps determine our representation in Washington.

5

Hospitals rely on census data to plan and make decisions about service areas.

6

The Census Bureau does not share its data with anyone, not even other government agencies.

7

You can fill the census out online.
